

\_\_\_\_\_ has been chosen to be the “Island Boy/Girl of the Week” for \_\_\_\_\_! This honorable title is earned by students who model the character traits of compassion, respect, integrity, and responsibility. Your child will share about him/herself during this special week. Please look at the topics below and assist your child with filling up our class beach bag with items that represent him/her. Please include 10-15 photos of your child, along with drawings or special work your child is proud of. Please return the beach bag on Monday, as the photos will be displayed on a special bulletin board in our classroom. All items from the beach bag will be used during sharing time and then sent back home by Friday. In addition to the sharing time, your child will have many special privileges this week and the class will make him/her a unique book! Thank-you for helping to make your child’s special week a great success!

Sharing Topics:

Monday– Specials Day, no sharing

Tuesday– my family

Wednesday– things I like to do at home

Thursday– things I like to do at school

Friday– my favorite book
