

Dear First/Second Grade Families,

If you are interested in volunteer opportunities, please fill out this form. I will develop a volunteer schedule (subject to change) each month based on the information I receive here. Please let me know every day/time that you are interested in and I will choose one hour-long time slot per week to place you in. If you are not able to come to the classroom, but would like to prepare materials at home or assist with parties, please fill out this form as well and I will contact you with specifics. Volunteering will start in October. Thank-you!
